Bitty earns AFC title at Middle TN GSP Trial in La Vergne, TN on December 2, 2007

After 20 days of wild bird hunting, Bitty and I decided to try and finish her AFC title which we had put nearly no effort to pursue over her career. She did it with her classic combination of style and power.

I would like to thank the judges, Bill Monk and Tim Smelcer for being in the saddle to see her compete for the very last time. I would also like to thank our friends that handed Bitty in previous amateur stakes and made finishing her that much easier.
